

DISCOVERING AFRICA'S FOOTBALL TALENT

Connecting Academies
and Scouts Globally

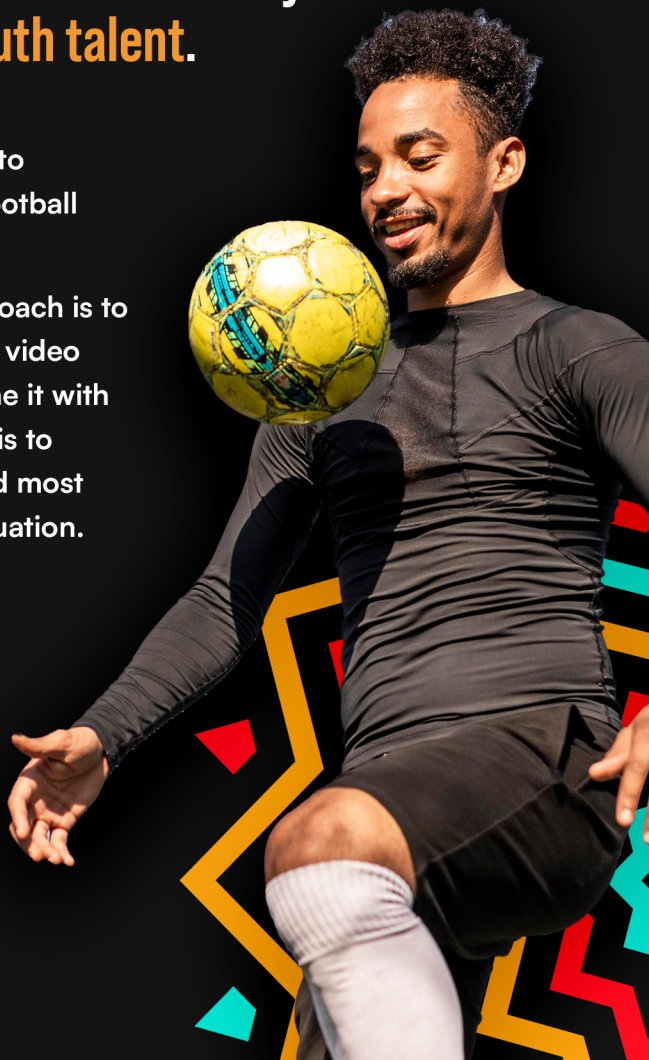

UNLOCKING AFRICA'S POTENTIAL

Talent Safari is **the ONLY**
platform focused exclusively
on **African youth talent.**

Our commitment is to
showcase African football
talent to the World.

Our innovative approach is to
use event data from video
footage and combine it with
real scouting analysis to
provide the best and most
relevant player evaluation.

STREAMLINING SCOUTING THROUGH TECHNOLOGY

The Football Data Revolution has started! By using technology efficiently, you can gain valuable insights about a player making the scouting process a lot easier.

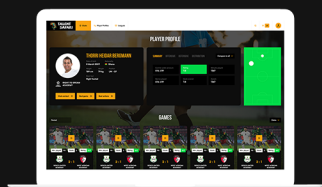

STEP 1. SUBMIT YOUR FOOTAGE

We work with the best companies in game video streaming like Veo, Spideo, Hudl so getting game videos in the platform can be done automatically.

STEP 2. EXPERT ANALYSIS & TAGGING

We carefully tag all game events for all the players involved, analyzing and developing statistics for each player.

STEP 3. GLOBAL VISIBILITY

The players detailed profiles, filled with content-rich data, are made available to subscribing agents and clubs worldwide.

ELEVATING YOUR ACADEMY AND PLAYERS

Talent Safari platform has benefits for
academies, players, clubs and scouts!

VISIBILITY

Increase your players exposure and make them visible to interested clubs and scouts all around the world.

DIRECT CONNECTIONS

Through Talent Safari we establish a direct connection between academies and decision makers in scouting clubs. No more intermediaries!

REDUCED COSTS

No more travel costs to see a talented player. Thanks to the comprehensive player profiles in the Travel Safari platform, you can scout talent anytime and from anywhere.
